**Important:**
Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, Inc. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, Inc. product warranties do not cover the installation, removal or re-installation of any product.

**Attention:**
Carefully read all instructions and review the images before installing this product.

1. Attach the female plate to the back of your device (or device's cradle) using the enclosed machine screws.

2. Unscrew the screw in the center of the Holder and remove the Holder from the Tilt Swivel base plate. Place the Tilt Swivel base plate over the matching holes in your mounting bracket (demo ProClip mount shown in picture) Attach the base plate by using the applicable screws enclosed. Place the Holder onto the Tilt Swivel base plate and attach it with the center screw. This screw also controls the pivot, tighter for a firm hold and loose for more (easier) movement/angling of the mounting plate.

3. Attach the device by sliding the female plate onto the male plate.

4. The device is in place.
Returns
All returns must be made within thirty (30) days of the delivery date and include proof of purchase, a copy of your original order, or invoice. No products shipped hereunder may be returned without ProClip USA’s prior approval. In order to return a product, the buyer must obtain an RMA number (Return Merchandise Authorization Number). Items returned without a valid RMA number may be rejected. Items that are open, used, damaged, or returned without all original components may have a restocking fee applied.
