

Item No. 855034 - ProClip Angled Mount

A  
P

**Compatible with:**

Chevrolet Corvette 2014 - 2019

**Important:**

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, Inc. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, Inc. product warranties do not cover the installation, removal or re-installation of any product.

**Attention:**

Carefully read all instructions and review the images before installing this product.

**Do not** attach anything to the mount face plate until after installing the mount to the dashboard. Doing so makes it more difficult to install the mount to the dash and non-refundable since you have screwed into it.

1. Place the ProClip in your hand so you can read the ProClip label (sticker). Insert the left angled edge of the ProClip all the way into the seam between the two padded panels on the back side of the console-mounted passenger assist handle. (See seam in photo) The left angled edge of the ProClip needs to go all the way into the **VERY TOP** of the rear seam of the passenger assist handle.

NOTICE: Use the provided gap opener to open the rear seam if needed.

2. Once the left angled edge of the ProClip is all the way into the **VERY TOP** of the back seam on the passenger assist handle, press the thin end of the gap opener into the gap between the padded part of the passenger assist handle and the plastic trim piece on the drivers side of the passenger assist handle, to widen the gap.

3. Place your fingers behind the face plate of the ProClip and flex or hook the right angled edge of the ProClip into seam next to the gap opener.

Pull out the gap opener.

4. The ProClip Mount is in place.

## Returns

All returns must be made within thirty (30) days of the delivery date and include proof of purchase, a copy of your original order, or invoice. No products shipped hereunder may be returned without ProClip USA's prior approval. In order to return a product, the buyer must obtain an RMA number (Return Merchandise Authorization Number). **Items returned without a valid RMA number may be rejected. Items that are open, used, damaged, or returned without all original components may have a restocking fee applied.**

## Limited Warranty and Liabilities
