

Adjustable Console Mount with Horizontal Face Plate

Compatible with:

The Adjustable Console Mount fits a variety of vehicle consoles. The pictures below are General Pictures - not necessarily of your console. However, the same instruction procedure applies.

WARNING:

Please hold the vehicle mount and holder over the place where the mount attaches to the dash **before** installing them to insure you like the location of the solution. Once installed and screwed together the products are **non-refundable**.

Important:

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, Inc. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, Inc. product warranties do not cover the installation, removal or reinstallation of any product.

Attention:

Carefully read all instructions and review the images before installing this product.

1. Peel off the cover of adhesive tape on the ProClip. Hook the curved edge on the lower part of the ProClip under the console edge.

2. Hook the angled edge on the upper part of the ProClip over the console edge.

3. Press firmly down on top of the ProClip so the mount adjusts to the height of the console and tighten the nut with the enclosed tool.

4. Press the black cover over the nut. Press until you see or hear/feel it snaps over the white ring and into place.

5. Press a screwdriver (Philips) firmly through the predrilled holes in the face plate to open them up. Place the face plate on top of the ProClip so the holes match.

6. Screw the two parts together with the enclosed screws.

The ProClip is now in place as shown in the overview picture above.

Warranty and Returns

Returns

No products shipped hereunder may be returned without ProClip's prior approval. In order to return a product, buyer must obtain an RMA# (Return Merchandise Authorization Number). All returns must be made within thirty (30) days of the invoice date and include proof of purchase. **The product must be in undamaged and unused condition, meaning:** NO screw can be screwed into any product, not even into the pre-drilled holes, NO holes punched through a product, NO scratches or screw marks, and NO Velcro tape etc. We reserve the right to withhold a refund if we deem the product is damaged.
